ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 24, 1970

VOL. LXXXV. NUMBER 14

N. Kenneth Pearson, Crystal Lake, at the wheel of the 1923 Lincoln Phaeton, shows off the auto at the recent Second Mid-American Antique Car Show held at Arlington Heights.

Teachers, Board Will Negotiate On Monday

Antioch's high school teachers, working without a contract for the present school year, and the board of education will make another effort at 4 p.m. next Monday to settle on a new contract.

But the prospects for such an agreement took a turn for the worse at last Wednesday night's board meeting and again Monday when a letter was sent to each teacher telling them how much the school had done for them, it was reported.

Talks between the board and teacher negotiating teams have yielded little as yet.

The board held a special meeting Monday night to discuss the situation and to be brought up to date by its negotiating team. Strategy for next Monday's session was expected to have been formulated.

The school's faculty turned out

en masse for last Wednesday's board meeting in an attempt to talk directly to the board about the slowness of the negotiations.

However, a request to address the board was denied and the board also denied a request that a mere statement be allowed.

The faculty then adjourned to the auditorium for a meeting of its own.

Illinois Education Association representative Ted Sanders told the teachers that they had been offered a \$200 increase in salary of a beginning teacher with a bachelors' degree—from \$7,400 to \$7,600.

But the administration had also stood firm on a demand that teachers come off the five per cent salary index on which they were last year.

The index gives teachers an additional five per cent of base

pay for each year's experience and for each cluster of graduate hours they accumulated toward master and doctorate degrees.

In its place the board has proposed a salary schedule which would give experienced teachers and those who have continued their education, less money than they would have received on last year's salary schedule, according to Sanders.

Sanders told the teachers that if the board comes back to the index that he didn't know why the contract couldn't be negotiated in one night.

Sanders indicated, after being pressed by the teachers that a deadline night might be set to either "withhold services" or some other action.

Both sides in the dispute are using negotiators.

A temporary ban has been ordered on building permits in the northern section of Antioch until damaged sewer lines uncovered by a television camera have been repaired.

The Village Board Monday night took the action after hearing a report by Public Works Supt. Charles Mapleshorpe and Village Mayor Raymond Toft.

The board's order affects such subdivisions as the Oakwood Knolls and Village Green and takes in the area north of Greenbriar Avenue.

"We have some bad spots in the area that need immediate attention," the mayor said. "Until we get them fixed I believe it is imperative that we temporarily curtail building permits until the situation is corrected."

"It makes sense to me," said Trustee George Bartlett. "It provides protection for the people now living in the northern neighborhood of the village."

Supt. Mapleshorpe said there is one section measuring about 40 feet on Gary's Drive where the sewer tile has been washed out.

"There is a possibility of a street collapse," said a public works official.

"Let's not wish that on us," Mayor Toft said.

The trustees were unanimous in supporting the mayor's recommendation that the temporary ban be put on building permits.

Mapleshorpe said that the National Power Rodding Co. had been called in to make a survey of sewer lines in the wake of flooding conditions.

He said that the contracted price was about \$3,300 but the figure will be higher inasmuch as the firm did some cleaning of sewer lines when concrete and blacktop interfered with its television cameras.

Mapleshorpe was asked to seek estimates on the repair of the sewer lines—the most serious ones which need immediate attention.

The mayor urged all of the trustees to watch the television viewing of the sewers. "It will open your eyes," he said.

He said the cameras have found places of cracked tile and the infiltration of water.

In other business, the trustees approved Sept. 26 as a tag day requested by the Chicago Missionary Society of Children's Homes. The society has a home in Lake Zurich.

The Oct. 5 meeting of the Village Board has been advanced to Oct. 6 in order that trustees will be able to attend the Illinois Municipal League convention which begins Oct. 3 and runs through Oct. 6 in Springfield.

The trustees offered no objection to repairs and rebuilding of Rte. 59 which ends at Rte. 173 in Antioch. Some stretches of the highway, measuring 20 miles, will be rebuilt at an estimated cost of \$1,633,000. The Northeastern Illinois Planning Commission has approved a request for a federal grant of \$860,000 for the project.

The American Oil Co. has requested that a station at the northwest corner of Rte. 83 and North Avenue be annexed into the village.

The petition was referred to Edward Jacobs, village attorney, in order that he can prepare the required annexation ordinance.

Style Show Set For October

The tenth annual Feast and Fashion Deluxe Dessert Buffet and Style Show will be held on Wednesday, October 14 at 7:30 p.m. in Wesley Hall at the United Methodist Church of Antioch.

Styles will be presented by the Godey Girls of Wilmet. The event is sponsored by Wesley Evening Circle. Tickets may be purchased from circle members or by calling Mrs. Robert Bemis, 395-2022.

(Continued on page three)

Damaged Sewer Lines Halt Sewer Permits

Two administrators of the Antioch school system were among those who participated in the annual educator's camp sponsored by the Loyal Order of Moose at Mooseheart Camp Ross. They are, from left, Warren

Polley, Sherwood Dees, state director of vocational education, Ray Page, superintendent of public instruction, and Albert Dittman.

Drownings Hit 4-Year High

More persons were reported drowned this summer than during any of the three previous summers, the Mid-America Red Cross water safety chairman announced. She called for a crusade of parents to insist their children learn to swim in 1971.

Dr. J. Jan Gund, Niles, volunteer water safety chairman for Mid-America Chapter of Red Cross in Chicago, said there were 94 drownings reported in news media in the six-county Chicago area from April 1, 1970, through Labor Day.

These 94 drownings were more than double the 42 reported in the same period of 1969, and they exceed by two the 92 drownings reported in summer, 1968. During 1967's summer, 89 persons were reported drowned. The most tragic year was 1966 when 124 persons were reported drowned.

Dr. Gund said the four-year record high perhaps reflects a warm summer and one when pollution levels and alewives were relatively low.

Labor Day weekend, 1970, was

comparatively safe for swimmers. Two deaths were reported during the three-day weekend, Dr. Gund said, while seven were reported drowned during Labor Day Weekend, 1969, in the counties of Cook, DuPage, Lake, Will, Kane, and Kendall.

The 94 persons who drowned this summer included 80 males and 14 females, Dr. Gund said. Drownings included 39 persons ages 21; 15 were 5 years or less; 15 were 22-40; 12 were 61-75 years; and 13 persons were over 40.

Dr. Gund believes the 1970 drownings illustrate the necessity for parents to be certain their children swim only in lifeguarded areas.

Only 16 of the 94 drownings occurred in areas where there would presumably be other swimmers nearby, or possibly lifeguards on duty.

The 94 drownings include 22 persons who lost their lives in Lake Michigan; 29 in other lakes; 15 in rivers; 9 in home pools or ponds; 9 in quarries or drainage ditches; 6 in other

pools; and 4 in wells, tubs, buckets of water.

She said that 38 of the drownings were "falling in" accidents. These persons did not expect to be in the water, but fell from boats, docks or the edges of pools, ponds, lakes and rivers.

The water safety expert stresses that every person should learn to swim well enough to save himself when a "falling in" accident happens.

"You can probably be saved if you can stay afloat in water for 15 minutes, or can swim just 50 feet to safety," Dr. Gund said.

If youngsters can't learn to swim before summer, 1971, they should enroll in Red Cross 1971 summer "Learn to Swim" classes at school pools, park district pools, or suburban parks.

Parents may get help now in learning to swim and teaching children by calling Red Cross to order "Teaching Johnny to Swim" (30 cents) and "Red Cross Swimming and Water Safety" textbook (\$1.00).

Bread Turns On 4-Hers

It seems there is even a gap in the young generation. To some teenagers "bread" means "money." But to another group of youngsters bread means just that!

It means savory home-baked loaves and hot rolls made from a yeast dough, set to rise in the warmth of the kitchen, and baked a golden brown. It means a treat for mom, dad, and the kids.

Among the group who says, "bread is bread" is a half-million 4-H members whose bag is baking bread. In the process they experiment with pizzas, rolls and coffee cakes. In order to learn the necessary baking skills, they join a 4-H group where individual projects are set up as part of the national 4-H program.

And this kind of bread pays off, too, in cash, companionship and demonstrations. What's more, it is generously supported by one of the nation's leading business firms, Standard Brands Incorporated.

The cash is in the form of annual scholarships of \$600 each presented to the six best teenage bakers. Companionship is enjoyed on an award trip to Chicago and the National 4-H Congress with the top girls and boys from each state. Demonstrations are given at various 4-H events on how to bake a batch of rolls, mix the bread batter, or explain nutritional value of bread products.

Medals are also very much a part of the scene. About 6,000 honor awards are expected to be handed out this year to deserving 4-Hers as county awards. Besides all that, a lot of teens achieve popularity sharing their home baked goodies by gifting shut-ins, friends, and the needy with holiday baskets of fresh breads and cakes.

"The finished product is a beautiful sight," says an 18-year-old national scholarship winner. "And best of all, the tasty things you create are marvelous."

She completed nine years of 4-H membership before qualifying for this top award, and has used her scholarship at the University of Maryland where she is enrolled in a pre-nursing course.

With lack of adequate nutrition for teens being a major concern of parents, teachers and others, the 4-H bread program offers one solution: Get more youngsters involved. And it's easy. Simply get with a 4-H group.

Information on how and where may be obtained by contacting the county Extension Office (223-4844) or by asking classmates who are in 4-H.

The 4-H bread program is supervised by the Cooperative Extension Service with program awards arranged by the National 4-H Service Committee, Chicago. Even though 4-H clubs have been operating for more than 50

years, and claim near 30 million alumni, the question still is asked: "Do 4-Hers do anything besides raise livestock and chickens, grow crops, or can tomatoes?"

The answer is an emphatic "yes."

Another common query is: "Don't all 4-Hers live on farms?" The answer to that is definitely "no."

Only about a third of the 3.5 million live on farms. Another third resides in cities and small towns, and the remaining third live in rural farm communities, according to the Federal Extension Service.

Altogether, there are some 50 categories of 4-H programs. Each attempts to educate, teach skills, develop character and leadership, and motivate the youngster to "achieve" by doing the job as well as he can. Progress and achievement are interchangeable. The national 4-H achievement program, sponsored by Ford Motor Company Fund, recognizes these attributes. Even the traditional farm-related programs have been restructured to keep pace with modern agri-business and home economic demands. The science approach to 4-H projects was begun almost two decades ago. Surveys, research, tests, experiments and evaluation now are routine for 4-H boys and girls.

State Bank Adds 2 To Staff

Recent additions to the staff of the State Bank of Antioch are Donald Morris, Vice President, and Manager of the Installment Loan Dept., and Anthony Starcevic, Jr., Collection Manager.

Morris, who has had 12 years experience in the banking field, will be working in the Installment and Commercial Loan Departments. He was a vice president at the St. Vrain Valley Bank in Longmont, Colorado, before returning to this area. He is a native of Wisconsin, and a graduate of the University of Wisconsin at Madison.

Don enjoys hunting and fishing, scuba diving, golfing, and snow and water skiing. His wife, Karen, stayed in Colorado to complete moving arrangements, and plans to join him here in Antioch in the near future.

Starcevic has had seven years experience in consumer finance. He attended Drake University. Tony is a native of Lake County, now living in Waukegan with his wife, Marcia, and their two children. Rene is four years old and Anthony III is three months old. They are planning to move to the Antioch area in the near future.

Tony Starcevic

Parents Night In School

The annual Back to School Night for Antioch Community High School is scheduled for Wednesday, Sept. 30, at 7:30 p.m.

The Antioch High School P.T.A. and the Antioch High School Board cooperate in this venture each year.

The P.T.A. stresses the importance of your attendance. You will receive your child's daily program, you will proceed to each of his or her classes, meet their teachers and come to better understand what is trying

(Continued on page three)

Enrollment At CLC Hits 4,202

At the close of registration on Friday, September 18, 1970, 4,202 students have enrolled in a variety of courses for the 1970 fall semester at the College of Lake County. This represents an increase of 1,614 students over the record enrollment experienced when the College opened its doors for the first time in September, 1969.

New students enrolled for the first time at CLC number 2,548, bringing to approximately 6,000 the number of Lake County residents who will have had an opportunity for a collegiate experience at CLC in its first two years of operation. Returning students number 1,654. One thousand and six hundred five students have enrolled in the University Parallel Program, and 1,390 have enrolled in career programs, including the new courses offered by the College this year of Law Enforcement, Fire Technology, Library Technology, Industrial Supervision, Civil Technology, and Teaching - Para-Professional.

Three thousand nine hundred forty-nine students are from within the College district, 252 students are Illinois residents but reside out of the district, and one student is from out of the State. One thousand six hundred sixty students are full-time and 2,542 are part time.

Dinner To Honor Whitacre

October 3 is the big day for W. Richard Whitacre, former superintendent of the Antioch Grade School system.

Whitacre will be feted at a dinner dance at the Hunter Country Club, Rte. 173 and Rte. 12 in

Mattoon, Ill. He traveled to Alhambra, Calif., where he was employed by Standard Felt Co. and later Shell Oil. They wanted him to go to South America but he decided to return to Illinois. He did and enrolled at Eastern Illinois State Teachers College for two years.

He then took a position as principal and teacher of upper grade students at the Half Day School in Lake County, meanwhile continuing his education.

He earned his bachelor's degree at the University of Chicago and then proceeded to get a M.A. degree plus advanced study at Northwestern University in Evanston.

In February, 1943 he replaced Ralph Clabaugh as principal and 8th grade teacher and coach in Antioch. At that time there were 150 students and 6 teachers.

During his administration consolidation occurred with Antioch, Bean Hill, Oakland, Hickory and Channel Lake joining forces. Two additions were made at Antioch and two classrooms were added in 1950 along with a gym and cafeteria. In 1954 12 additional classrooms were built.

In 1958 the Oakland building was built on a 20-acre plot with 17 classrooms of which 10 were

completed and the others finished as needed.

In December 1968 the upper grade building, now under construction, was voted in on the first referendum.

On June 30 he completed his career as Superintendent with approximately 52 teachers, and 1,465 students enrolled, three buildings in operation and a fourth to begin later this year.

Whitacre is a member of the Illinois Education Association, the National Education Association, the Illinois Association of School Administrators, the National Association of School Administrators, the Antioch Library Board, and a member of the original board responsible for setting up special education district of Lake County (SEDOL).

Get It Settled

Like so many other communities throughout the nation Antioch is now experiencing general unrest among its teachers. In this case it lies with the teachers at the high school but the basic problem does or will, exist with all teachers.

The problem of negotiating a new contract for the Antioch High School teachers came to a head last Wednesday night when the entire staff at the high school went to the monthly meeting of the Board of Education in an effort to present its side of the negotiating problem.

The board felt it could not listen to the report of the teachers, in that this type of a report was not part of the negotiated terms.

Herein lies the basic problem at Antioch—and that is an almost total breakdown of communications between teachers, the board and the administration.

This situation is having a serious effect on the teachers of Antioch High School and the administration and the Board of Education.

Although we feel sure the teachers have tried not to let it effect their classroom work, we are just as sure it is beginning to rub off on the most important person in this conflict—the student.

And if the situation doesn't clear up soon, we feel sure that the students are going to feel it even more.

This type of conflict very quickly destroys the morale level of a teaching staff, and this, in turn, reflects in the teaching with the students getting the short end.

For the present the teachers are not planning any type of pressure tactics to go against the board. But we have it on good authority that if the problem is not solved soon, the teaching staff at Antioch High School is unified to the point, if pushed, would as a last resort—strike.

According to Gilbert Krahn, president of the Antioch High School Teachers Association, the overall theme on which he and the teachers have been working is complete cooperation with the board and the administration.

We also have it on good authority that the board members and the administration feel the same way.

Now, if this is so, and there is good reason to believe that it is, why has this problem become so serious?

The negotiations have been going on for almost a year and as it stands, things are no better now than when they were first started.

If both sides so genuinely like to cooperate with each other, and both sides seem to want to develop a fine educational system, then it is about time to end this foolishness, put aside unimportant and useless items, sit down and resolve the problem and get back to running a school system.

We make it clear that we are taking no one's

side in this issue except the students of the community.

Ted Sanders, the IEA representative working with the teachers negotiating team, made the statement that a letter should be sent to the parents explaining the situation and to enclose the phone numbers of the board members.

He might have added also to enclose the phone numbers of the teachers as well—for if pressure is brought to bear on one group it should also be brought to bear on the other.

The problem is much more serious to the community and the students of Antioch High School than it is to either the board or the teachers.

The board could be changed by the due process of election.

The teachers could teach in another school system.

But the students must remain and receive whatever kind of education they can.

ALONG THE WAY with Annie Mae

FALL IS HERE!

Weathermen say equinoctial storms ain't. Wonder what they call what we're having now!

VACATION IN THE EAST

Trudy and Bob Mann have recently returned from a two week vacation in Haddam, Connecticut, where they visited their daughter Faye and family. Their son-in-law, Richard Kruger is a Geologist and is working in the new Dinosaur Park with his office at the Wesleyan University in Middletown, Conn. Their pleasure was increased with the time spent with their grandson, Jeff.

ATTEND CARDINALS LUNCHEON

Four Altar and Rosary members attended the annual Cardinals Luncheon Saturday at the Conrad Hilton in Chicago. They were accompanied by Father Henderson, and speaking of Father Henderson, he will be

celebrating his forty-second anniversary in the Priesthood.

P.T.A. MEETS

The first meeting for this school year for the Antioch Grade School P.T.A. was attended by many parents, where they met the new members of the staff and school board members.

LUCKY LOUISE

Louise Johnson was one of the lucky winners at the Lake Villa Rescue Squad dance Sunday night.

ATTEND DINNER

Elaine Palm and Jean Irving enjoyed a meeting and dinner in Chicago of the Association of Chicago Bank Women.

MAKES TEAM

Kevin O'Neill, one of Antioch's fine athletes is now a freshman at the University of Dubuque in Iowa, and is playing on the Varsity Team there.

SEQUOITS AT LAKE FOREST

Antioch Sequoits will be going to Lake Forest Saturday. Good luck. Bring home a victory.

ON TV

You should have seen the surprise of Laurie Fowles when she heard her name called as the winner of three yards of designers fabric while attending the Jim Conway Show. All the ladies from Antioch had a wonderful day and Angie reports that Jim Conway and his guest were equally pleased that the clothes modeled were not the mid-length. One of them commented that Mids are disastrous. Speaking of clothing, the deadline for the Make It Yourself in Wool entries must be in by the end of September.

MAKE YOUR RESERVATION NOW FOR THE DINNER

The deadline for tickets for the dinner honoring Mr. Whitacre is Sept. 25th.

See you around,
ANNIE MAE

Record High Budget Is Approved

The Lake County Forest Preserve District board of commissioners last week approved a record-high annual budget and appropriation ordinance of \$4,888,112 for the fiscal year beginning July 1, 1971.

Most of the increase over the current fiscal year figures of \$3,270,250 is for land acquisition.

The budget is broken down as follows:

- \$409,100 for administrative and general expense.
- \$4,150,000 for land acquisition, development and improvement.
- \$7,512 for deferred payment on land purchase.
- \$321,500 for corporate bond and interest redemption fund.

Mr. and Mrs. John Horan

Joan Neyrinck Wed To John A. Horan

St. Peter's Church in Antioch was the setting Aug. 29 for the 5:30 p.m. wedding of Miss Joan Neyrinck, daughter of Mrs. Joseph Neyrinck of 249 Bridgewood, Antioch, and the late Mr. Neyrinck, and John A. Horan, son of Mr. and Mrs. John W. Horan of

499 Orchard St., Antioch.

The couple's vows were repeated before The Rev. Alfred Henderson.

Squins highlighted the bride's chivalry lace gown which was fashioned with a sabrina neckline and a tiered bouffant skirt that ended in a sweeping train. Her queen's crown of aurora borealis crystals was caught to an elbow length illusion veil.

Honor attendants for the bride were Miss Pat Denman and Miss Kathy Garvin, both of Antioch. Terry Harrison and Ronald Harlan attended the bridegroom.

The reception was held in the Angels Restaurant, north of Antioch, and distant relatives attending included the bride's grandparents, Mr. and Mrs. Frank Pallas of Nebraska.

After a wedding trip to Mackinac Island, Mich., the newlyweds will reside at 545 Cillings, Gurnee.

The former Miss Neyrinck is employed at the Waukegan News-Sun. Her husband works for Commonwealth Edison Co. in Mount Prospect.

PM&L Returns To Main Street

PM&L action is again taking place at the PM&L Theatre, 877 Main St.—just one block off Broadway. PM&L is moving back!

At almost any time of day or night you are apt to hear hammers, pounding and paint brushes swishing. The community theatre organization is vitally alive and enthused in making improvements and changes to make the theatre a more pleasant and versatile place to present live theatre in Antioch.

Not only is the group busy with hammer and nails but also is planning their annual Awards Banquet and Dinner Dance which will be held Saturday, October 3, at 6:30 p.m. at Lorenz's Smart Country House.

The next big event is the PM&L Halloween Masquerade Dance on October 31 at 8:30 p.m. at the American Legion Hall. Music will be by The Rhythm Kings and tickets may be purchased from PM&L members or by calling the Richard Irmens, 396-4145. Proceeds from the dance will be used on theatre improvements.

Perhaps the biggest announcement is the Season 10 line-up. The fall play will open the theatre on November 7, 13, 14, 20, and 21 and will be the captivating comedy "My Three Angels," directed by Don Beveroth.

The winter play will be "Barefoot in the Park," Neil Simon's hilarious apartment comedy, directed by Gary Richter on February 20, 26, 27, and March 5 and 6.

The Spring play will be "The Miracle Worker," the dramatic and moving play about the early life of Helen Keller, directed by Josef Hunley on May 8, 14, 15, 21, and 22.

These three plays are included on the season ticket which will be on sale in October and early November. Call Mrs. Robert Jensen, 395-0539 to order your season ticket at a definite saving.

Come join PM&L in their tenth big season.

Topics for Today's Women

THURS., SEPT. 24, 1970 THE ANTIOCH NEWS-4

At the regular business meeting of the Women of the Moose, new applications for membership were read and approved. Recorder Jerri Polson read the previous minutes and also the minutes of the Executive Board meeting.

The co-workers who took part in the Birthday march were Elsie Toman, Anna Carpenter, and Ramona Pyzma.

It will be "Christmas in October" when the combined Mooseheart and Moosehaven Committees will hold their Christmas Walk. The members of the Chapter were given lists of needed articles which will be donated to the residents of Mooseheart and Moosehaven at Christmas Time.

Reports were read from the Publicity, Mooseheart, and Hospitality Committees. The Chairman of Hospitality, Ann Sticker, asked the co-workers to please notify her of any occasion that can be served by her committee.

The Auditing Committee, consisting of Recorder Jerri Polson, Treasurer Catherine Kloib, Junior Graduate Regent Judy Page, Co-Workers Millie Stramer, Karen Bartuska, Dorothy Pulg, and Evelyn Miller, will meet at Millie Stramer's home on Oct. 6, at 7 p.m.

Senior Regent Erna Toft announced that help is needed on Friday, Oct. 2, after the fish dinner are served, to decorate the hall for the dance to be held the following evening.

October 1 is the date of the next chapter meeting.

Where The Boys Are

Spec. 5 John W. Moser, son of Mr. and Mrs. Frank J. Moser, 892 Main St., Antioch, has been promoted to sergeant.

Moser is serving in Vietnam and has been there since November 1969. He is with the 119th Army Helicopter Corps as an engine repairman.

He is due home Dec. 21 for a 30-day leave.

Airman Theodore J. Rowe, son of Mr. and Mrs. Howard E. Rowe, 415 Columbus Ave., Lake Villa, has graduated at Keesler AFB, Miss., from the U.S. Air Force air traffic controller course.

The airman, who was trained in airport traffic control, is being assigned to Grissom AFB, Ind., for duty with the Air Force Communications Service which provides global communications and air traffic control for the USAF.

Airman Rowe is a 1968 graduate of Grayslake High School.

Baby Girl For Zmudas

Army Sgt. and Mrs. Walter J. Zmuda, Jr., announced the arrival of a baby girl, Vicki Lynn on Sept. 15 in Kansas City, Mo. The youngster weighed in at 7 pounds 11 ounces.

The paternal grandparents are Mr. and Mrs. Walter J. Zmuda, Sr., of Antioch, and the maternal grandparents are Mr. and Mrs. Kenneth Costello of Round Lake. The young couple has one other child, Paula Marie.

Offer Real Estate Preparation Course

September offers a wide variety of interesting back-to-school opportunities for adults. One such opportunity is the Real Estate Preparatory Course, which will begin Sept. 28 at Glenbrook South High School, 4000 W. Lake Ave., Glenview.

The Preparatory Course reads men and women to take the State license exams for real estate salesmen and brokers. The four-session course is sponsored by Real Estate Education Corporation, 500 S. Dearborn St., Chicago. Ted Bell of Evanston, vice-president of Employee Transfer Corporation, teaches the 3-hour evening sessions, which meet from 7 to 10 p.m. on Mondays and Thursdays.

Chicken Dinner

The Salem United Methodist Church, Salem, Wis., will hold its annual Henry Penny Chicken Dinner from 11 a.m. to 4 p.m. on Sunday, Sept. 27.

Mum Show Open For Visitors

The new, and expanded trial gardens of Thon's Garden Mums, with its many thousands of colorful outdoor Chrysanthemum plants will again be open to the public. Admission is free.

On display will be some 300 varieties including all types, from the low cushions and cut-flower varieties to the large football mums and exotix spiders!

The plants are set out along grass covered walks, with proper identification, for easy viewing.

The gardens are open daily, including Saturday and Sunday, from 10 a.m. until dusk, from Mid September until hard frost finally kills the blooms in late fall.

Thon's, formerly of Arlington Heights, are now located in a new and most modern plant at 4815 Oak St., Crystal Lake, Ill. Oak St. crosses, Ill. 176, 1/2 mile east of U.S. 14. Turn north on Oak St., 1/2 mile to the gardens.

Garden Club Luncheon Set

The Antioch Garden Club Fall Luncheon and card party will be held next Monday, Sept. 28, beginning at 12:30 p.m. in the Savings & Loan community room.

College Students Benefit

SPRINGFIELD, Ill., Sept. 17—Ray Page, Illinois Superintendent of Public Instruction, announced today that 23,800 Illinois college students will share in additional Social Security Benefits under Title II of the Social Security Act.

The legislation adopted by the Eighty-ninth Congress provides for the continuance of benefits to students while attending all schools, colleges and universities which are public or accredited. It is estimated that approximately 500,000 students throughout the nation between the ages of 18-22 will receive almost a half billion dollars in benefit payments.

The legislation was supported by the American Legion and its Auxiliary to extend the benefits to sons and daughters of deceased, disabled or retired workers who continue their education on a full-time basis beyond the age of 18.

Superintendent Page also announced that the Office of Superintendent of Public Instruction book "Financial Aid to College Students" is being revised and will be ready for distribution in six weeks. This book is a co-operative effort between the state office and the American Legion's, "Need a Lift" program.

United Fund Exemplifies Help, Giving

SPRINGFIELD, Ill. — United Fund drives exemplify the theory that "we have no right to consume happiness without producing it." Secretary of State Paul Powell said Thursday night at a kickoff picnic for the local campaign.

"With all the affluence in our nation, we still will have need for help from organizations like the United Fund," Mr. Powell said. A question of priorities exists in problems of health, education, poverty, space and environment as to which shall be solved first and whether they can be solved, he added.

"My thought has always been that this nation, with its resources and talent, can do them all," Secretary Powell said. "The same spirit that brought about 1776, the same spirit that began the industrial revolution, the same spirit that saved the world from dictatorship in World War II will solve the problems of today and tomorrow."

"This is the spirit that we have here today—to help provide services to those who need them through the United Fund," Mr. Powell said.

Moose Club Enrollment On Sept. 27

The September enrollment at the Antioch Moose Lodge will be held on Sunday afternoon at 2:00. The ceremony will be put on by the Antioch Moose ritual team.

The members in the ritual team are Richard Jorgensen, Arthur Andersen, Henry Grewe, Lee McKinney and Bruce Borchardt. All women attending will be entertained by the Women of the Moose during the initiation.

Four members of Antioch Moose attended the Legion Ceremony at the Racine Moose Home. They are Richard Jorgensen, Edward Kurtz, Arthur Andersen and Tom Stanley who was initiated in the Legion of the Moose.

A nice crowd attended the Antioch Moose Legion pot-luck and meeting last Sunday. Charles Seelhoff is chairman and Les Sperling is acting treasurer and secretary for the year.

Tom Stanley, chairman of the Oct. 3 party and dance said this is going to be the biggest party of the Moose year. Keep the date open, all Moose members!

Avis Minger A Member Of Class Of '74

Avis Isabel Minger is among more than 150 women members of the Class of 1974 at the Co-ordinate College for Women at Kenyon College. She is the daughter of Mr. and Mrs. Ralph E. Minger of Antioch, Illinois, and a graduate of Antioch Community High School.

Kenyon (Gambier, Ohio) was among the first men's colleges in this country to announce that it would open its doors to women and the first class was admitted last fall. By 1972, there will be 650 women bringing the total enrollment of the joint institutions to 1500.

While the women attend classes with Kenyon men, the coordinate college was founded in the hopes that the women will establish their own traditions, as have the men of Kenyon since its founding in 1824.

Kenyon has a long tradition of academic excellence and instituted the Kenyon Plan, now known as the "Advanced Placement Program" used by most major universities and colleges in the United States.

Farm Bureau Annual Buffet Is Scheduled

The Lake County Farm Bureau annual meeting and buffet dinner will be held on Saturday, Oct. 3, at the fair grounds, Rte. 45 and 120. Dinner will be served from 5 to 7:30 p.m. with the meeting at 8 p.m.

Six directors are to be elected at the meeting which will also feature the Murk Family Musical for your entertainment. Dancing will follow until 1 a.m.

Square Wheels Open Night Lesson Meets

The A/C Square Wheels opened the season on Sept. 6th by participation in the Buffalo Grove Days parade, then a picnic and square dance at Deer Grove.

The big "free one" on Sept. 19 was at the Heritage Park field house, 220 S. Wolf Rd., Wheeling, at 8 p.m. Joe Gipson called.

Weekly evening lesson sessions started Sept. 24 with Joe instructing. For information call 296-8372 or 537-8872.

Lakeside Rebekah Lodge No.82

By Del Jahneke

Mrs. John Hagen, Noble Grand of the Lakeside Rebekah Lodge, accompanied by Mrs. Frieda Werz, Mrs. Walter Buchert, Mrs. Clarence Larson and Mrs. Charles Ferris, District No. 3 Vice President, attended the "Appointed Officers' Night" of all the Rebekah Lodges in District 3, held in the Libertyville Masonic Hall, Sept. 17.

The Lakeside Rebekah Lodge will hold "Friends' Night" on their meeting Oct. 7, at the Antioch American Legion Home, at 8 p.m. Mrs. Clarence Larson is the hostess chairman.

Home Sunday Huge Success At Millburn

During the middle of September of each year the Millburn Congregational Church sets aside one Sunday as Home Sunday. This was held on Sept. 13 this year.

The purpose of this event is to welcome back former members of the church who have moved to other parts of the country.

Following the Sunday service, which this year featured guest speaker, The Rev. Tom Sampson, who was pastor of the First Congregational Church of Lombard, a pot-luck dinner was held.

As in past years, a larger turnout was had this year with many returning former church members.

The services also marked the beginning of the new church school year.

Social Notes

The Alan Knutesons, the junior Ed Jahneke, the Robert Dunlaps and the Matt Kings enjoyed an elegant evening dining at the Stage Stop in Wilmot, Saturday evening, Sept. 19.

Girl Scout Troop No. 144 held a steak cook-out at the Fox River Park, Wilmot, on Saturday, Sept. 19. Special guests were Mrs. Bernard De Vries and Mrs. Irene Nevitt. Mrs. Elizabeth Wright and Miss Margaret De Vries were the leaders who planned this outing. The new leader, Mrs. Richard Ford, was also there. Some 25 girls scouts and leaders had a wonderful time, despite the somewhat soggy condition of the grounds. Their feet might have been muddy, but their hearts were young and gay.

Mrs. Walter Buchert, Lake Catherine, Antioch, her house guest, Mrs. Esther Swanson of Alhambra, Calif., and Mrs. Harry Friend from Grayslake, lunched at Thompson's Restaurant, and then drove to Lake Geneva, Wis., for a scenic bit of sight-seeing.

The Antioch Scout Home was crowded to capacity on Sept. 18, when the Service Unit No. 16 of the Lakeview Girl Scout Council held a meeting there. Miss Suzy Demme of Waukegan, Professional Field Director of the Council was present to answer questions regarding the local girl scouting program.

Mrs. Ed Thamerus will serve as Service Unit No. 16 Director, with Mrs. Ray Rathmann as Organizer and Consultant for the Junior Girl Scouts, and Mrs. Bernard De Vries as Organizer and Consultant for the Brownie Troops. This meeting accomplished a great deal for the girl scout program, since there were also many volunteer leaders signed up.

Negotiations To Affiliate Are Completed

University of Illinois Board of Trustees have formally approved terms of the proposed agreement which will enable the University of Illinois College of Medicine to proceed with affiliation negotiations with six hospitals in the Chicago metropolitan area.

The concept, originally approved on July 23, 1969 by the Board is but one step in the implementation of the plan to expand statewide medical education opportunities within the University of Illinois College of Medicine.

The six hospitals — MacNeal Memorial Hospital, Mercy Hospital and Medical Center, Illinois Masonic Medical Center, Ravenswood Hospital and Medical Center, Louis A. Weiss Memorial Hospital and Lutheran General

The Stroke Toll: 1 Of 9 A Death

Some call it stroke; others say apoplexy or cerebrovascular accident. Whatever name you choose, it causes one of every 9 deaths in the United States, taking approximately 200,000 lives each year. In Illinois, nearly

11,000 people die yearly from strokes.

Stroke is the third leading cause of death in the United States, out-ranked only by heart attacks (570,000 deaths annually) and cancer (about 310,000).

However, the positive side of the stroke ledger grows increasingly encouraging. The Heart Association of Lake County points out that the age-corrected death rate from stroke declined by 21 per cent for men and women from 1950-67.

There is reason for continued optimism. As one scientist noted, in each year of the past decade research has uncovered and developed major aids to the treatment and prevention of stroke.

What are the causes of stroke? As in heart attack, an underlying process which sets the stage for a stroke is atherosclerosis, the condition in which arteries are clogged or narrowed by fatty deposits. In heart attack, the clogging blocks the flow of the blood to a part of the heart muscle. In stroke the artery clogging impedes blood flow to the brain.

An important consideration in stroke is hypertension, or high blood pressure. Elevated levels raise the risk of stroke in two ways. First, an abnormally high pressure accelerates the progression of atherosclerosis. Secondly, the increased pressure may put an added strain on an already damaged blood vessel in the brain, causing it to "blow," and produce so-called hemorrhagic stroke. Your doctor can help you lower your blood pressure; if it is too high.

The brain is only about two per cent of the body weight, but it receives about 15 per cent of the heart's total output of blood. When a part of the brain is deprived of oxygen-laden blood, its nerve cells cannot function. Depending on which cells are knocked out, we may not be able to remember a telephone number or tie your shoes—because the brain calls the signals that make our minds and bodies work.

Like heart attacks, not all strokes are fatal. An estimated 1,200,000 Americans now living have survived a stroke—and many are back at work.

Strokes vary widely in pattern and severity. Some strokes are so mild, they literally go unnoticed. Others, more severe, and affecting extensive areas of the brain, can cause paralysis. While prevention of stroke is the ideal goal, there is a good

deal the doctor can do for the patient who has had a stroke. Soon—almost immediately—after the stroke, the doctor may suggest passive exercise and massage to prevent or minimize muscle wasting. In this, the patient's family can be extremely helpful. Indeed, the family's wholehearted cooperation with the doctor plays a vital role in the patient's recovery. When rehabilitation is begun promptly and carried out faithfully, even severely paralyzed patients can make remarkable progress in regaining functions impaired by a stroke.

The doctor and family may call on other resources in the community to help in the patient's rehabilitation. The Chicago Heart Association and suburban divisions, which sponsors a comprehensive stroke rehabilitation program in ten Chicago area hospitals, can be helpful in finding and suggesting resources for specific cases.

With recent research developments, stroke is no longer helpless. And we can expect that continued research will uncover more ways to help even larger numbers of stroke patients, both present and future.

For the free booklet, "Facts About Stroke," write the Heart Association of Lake County, 1111 Greenwood, Waukegan, Ill. 60085.

Illinois Attorney General William J. Scott and Paul Gerden, executive vice president of Abbott Laboratories in Lake County, have announced that Abbott has agreed to spend approximately \$2.5 million in 1970 to improve Abbott's existing environmental control programs.

The agreement, filed in Lake County Circuit Court, ended a pollution suit brought against Abbott by Attorney General Scott. Scott's suit had charged Abbott Laboratories with discharging commercial, chemical, and biological wastes into Lake Michigan.

Chief Judge LaVerne A. Dixon of Lake County Circuit Court entered an order detailing the specified actions that Abbott has agreed to take to abate pollution. Scott said that before entering into the agreement, the Attorney General's scientific investigative staff, headed by Joe Prince, Scott's environmental technical expert, approved Abbott's proposed pollution-control plan. Following that, the Attorney General's office engaged an independent outside environmental expert, Dr. Fred Gurnham, former Chairman of the Environmental Engineering Department at the Illinois Institute of Technology, who also evaluated and approved the Abbott program.

"What Abbott has agreed to in the court order is a program using the highest degree of technology presently available in pollution control," Dr. Gurnham said.

Attorney General Scott complimented Abbott Laboratories on their new anti-pollution program but added, "Scientific research should be continued to develop new approaches in the future that will completely eliminate all pollution of Lake Michigan. If our scientific community can develop the technique to send a rocket to the moon and to bring a crippled space ship back to earth, they certainly should be able to develop the techniques to save our most precious heritage, our air and water."

The recent agreed court order requires additional expenditures by Abbott of \$1,700,000 in 1970 and \$800,000 in 1971 on pollution waste treatment facilities. Abbott also agreed to continue its research, and development effort directed toward finding even more efficient methods of waste treatment.

Specific improvements include additions to existing equalization and settling tanks, installation of additional sewer monitoring equipment, provision for back-up equipment for all critical operations, and development of a new filtration system. Also listed are the up-grading of condensers—used in cooling equipment, additions to incineration equipment used to dispose of solid wastes in a manner that prevents air pollution problems, and several other projects designed to provide controls to trap potential pollutants in the event they are spilled accidentally.

The North Chicago firm's progress under the terms of the order is to be reported on a monthly basis to both the Lake County Court and Scott's office.

"Pollution is a problem of nationwide proportions," Abbott Vice President Gerden said, "and it behooves all of us—in business and government but also as private citizens—to get to work to solve that problem. Settlement of this suit will allow us to put our energies and resources into further pollution-abatement work as well as the development of even more sophisticated approaches for the future," he added.

Franchise Tax Collections At \$527,939

SPRINGFIELD, Ill.—A total of \$527,939.56 was collected by the Corporation Division in franchise taxes and fees during August, according to figures released by Secretary of State Paul Powell.

The Division has now collected \$20,945,467.06 during the first eight months of this year. Last year the Division collected \$25,718,015.79 in the first eight months including \$1,309,724.81 in August.

Secretary Powell explained that the decreases in fees collected result from the reduction of the minimum annual franchise tax from \$100 to \$25.

New corporations receiving certificates of Incorporation and Authority totaled 1,028 during August, a decrease of 25 from the 1,053 new corporations licensed in August of 1969.

During the first eight months of this year, 8,763 new corporations have been incorporated or licensed in Illinois. The 1970 total represents a decrease of 717 from the 9,480 new corporations registered for the same period of 1969.

Mrs. John W. Horan, president-elect; Ronna Andrews, Girl Stater, and Mrs. Joseph Horton, Illinois Girl's State Chairman, talk about the American Legion Auxiliary and its aims.

Incoming 10th District Junior Activities Chairmen, respectively.

Mrs. Louis Walston, Lake Zurich, installing officer, installed her daughter, Jeanne, as District Junior President. Assisting Mrs. Walston in the ceremony, were Mrs. Stasny as Installing Chaplain; and Mrs. Norman Holt, North Chicago, as Installing Sergeant-at-Arms.

Other district junior officers installed were: Kathy Swirski, North Chicago, Vice President; Laura Brown, North Chicago, Secretary; Judi Rizzo, Lake Zurich, Treasurer; Susan Rathmann, Antioch, Historian; Colleen DeVries, Antioch, Chaplain; Peggy Feldmann, Lake Zurich, Sergeant-at-Arms; and Kathleen LoMastro, Mundelein, Junior's Past President. Mrs. Stasny presented Kathleen with her District Junior's Past President's Pin.

Susan Rathmann, Historian, read the history she had compiled of the activities and achievements of the District Juniors this past year. Mrs. Stasny told the Juniors and guests of the Department Junior Conference and the honors

won by District Junior members. Mrs. Rathmann gave a welcoming speech, outlining some of the projects planned for the ensuing year.

A meeting will be held in Mrs. Rathmann's home on September 30th, at 8:00 p.m., for all unit presidents and unit junior activities chairmen. De Vries told of 10th District Juniors Installation of Officers. Preparations and plans were made regarding the joint installation of Officers, to be held at the Antioch American Legion Home, October 15th, at 8:00 p.m.

Past Presidents who were honored at this party-meeting include the following: Mrs. Joseph Horton, Mrs. Frank Kennedy, Mrs. John L. Horan, Mrs. John W. Horati, Mrs. Lester Zitzkus, Mrs. Burt Anderson, Mrs. Ralph Fields, Mrs. Walter Hills, Mrs. Lillian Hand, Mrs. William Dowden; Mrs. Bernard Stadick and Mrs. Rathmann. Cheryl and Sandra Stadick, Juniors, had cleverly fashioned colorful table decorations, and Mrs. Rathmann had personally made attractive gifts for all the unit's past presidents.

Tenth District officers of the Junior Auxiliary of the American Legion include Mrs. Ray Rathmann, Antioch, district junior activities chairman; Kathy Swirski, North Chicago, vice president; Laura Brown, North Chicago, secretary; Judi Rizzo, Lake Zurich, treasurer; Kathleen LoMastro, Mundelein, junior past president; Jeanne Walston, Lake Zurich, president; Colleen DeVries, Antioch, chaplain; Susan Rathmann, Antioch, Historian; Peggy Feldmann, Lake Zurich, sergeant-at-arms.

One of the first projects will be a Bake Sale, to be held at 7:30 p.m. October 16th, at the Highland Park American Legion Home. The 10th District American Legion will be holding their regular meeting there, and the Bake Sale will take place before their meeting.

This year, for the first time in the 50 years of the organization of the national American Legion Auxiliary, the delegates voted to accept the grand-daughters of Legionnaires and deceased veterans of either World War I and II, the Korean and Vietnam Conflicts, as American Legion Auxiliary members. This decision was made at the recent National Convention, held at Portland, Oregon, and will widen the eligibility field of membership considerably. Other veteran's organizations have already had this ruling for many years.

This is the Antioch Aqua Center Swim Team. Top row left to right: Marty Berry (coach), Kit Karacek, Barb Dodd, Kathy Walpole, Linda Lagerstrom, John Thain, Jim Vorhies, Mike Muro, Bill Vorhies, Pat Muro, Eddie Berry, Judy Berry, Sherry Garrels, Dean Waite. 2nd row (from top) left to right: Jackie Dodge, Dave Waite, Jody Fields, Nancy Pawlowski, JoAnn Lubkeman, Sue Solomon, Debbie Dodge, Chris Walpole, Mitch Witt, Terry Lear, Mark Haley, Tim Waite, Mary St. Pierre, Gail Olson.

Sequoits Tie Rockford

Antioch's Sequoits outruled and outplayed Rockford Harlem last Friday night in Rockford, but the best the eleven could come up with was a 6 to 6 tie.

Antioch scored first after Chip Gross, who plays both ways at quarterback and defensive half, intercepted a Harlem pass on his own 12-yard line.

The Sequoits then marched the length of the field, capping the drive with a 7-yard pass from

Gross to end Jim Revell for the touchdown. The Sequoits went for a two-pointer and Gross hit end Tom Martin but he came down over the end line for an incompletion.

Rockford came back in the third period, recovering a fumble on the Antioch 22-yard line, and two plays later Don Peak sprinted into the end zone from 11 yards out. The kick for the extra point was wide.

Antioch ran up a total of 286 yards, 79 in the air. Rockford gained a total of 206 yards. Antioch had a total of 17 first downs to only 9 for its opponent.

Antioch was also hampered by the loss to starting running back Greg Crutchfield who carried four times for 23 yards before being forced from the game with a shoulder separation.

Fullback, Bill Hagstrom led Antioch in rushing with 98 yards in 16 carries. Gross completed four of 13 passes.

According to Coach Nelson the offensive team did a fairly good job but wet grounds contributed to a few mistakes. The defense did an outstanding job and in the next to last series of plays Harlem had, the defense held them for five plays within the 5-yard line.

This week Antioch takes on Lake Forest in its league opener and according to Coach Nelson Antioch should win, although it will take a team effort.

Antioch has been strong defensively, but the offense will have to find a replacement for the running of Crutchfield who will be out for the next few weeks.

In the sophomore game the Sequoits came off second best to Rockford by a 7 to 6 score.

Carolyn and Suzi Laude, show off the 5 pound 20-inch small mouth bass their mother caught last weekend at the Laude's summer home in Clearwater Lake, Wis. Margaret Laude took the bass on a tiny #8 hook and live minnow, off the pier. The fish is entered in a local contest. The Laudes, formerly of Antioch, now reside in Stevens Point, Wis.

3rd row (from top) left to right: Dave Walpole, Bill Garrels, Jackie Fields, Jenny Schmidt, Mariann Mutaw, Gina Teresi, John Karacek, Kim Klopp, Dan Nissen, Jerry Schmidt, Dave Berry, Suzy Berry, Mike Costoff, Scott Reeves, Jeff Schmidt.

Bottom row (left to right): Ricky Sampolinski, Johnny Schmidt, Darren Houghton, Judy Houghton, Steve Haley, Carol Berry, Kate Waite, Martin Witt, Kim Korando, Pat Houghton, Dorothy Emmerich.

Scoring for Antioch was Charles Chapman on a quarterback keeper from the one yard line in the 3rd period.

Coach Sandberg felt the lack of offensive blocking by the team was the reason for the defeat. The defense held up well and did a good job throughout the game.

This week will be Lake Forest and Coach Sandberg feels the team has all the tools to win if the offense gets together.

Sullivan Winner In Feature

Whitey Harris, Lake Villa, claimed his fourth driving title at Raceway Park in Blue Island Saturday night, but Jim Sullivan, Fox Lake, won the 50 lap Championship event that ends sanctioned IRA racing for the 1970 season.

For Sullivan, it was his fifth feature win of the season and it came after he led every lap in 50 laps of sheer excitement and daring on the part of Champion Harris.

The race was started in reverse point standing order and that put Harris in the back with Sullivan in the second row. Sullivan's car has been one of the fastest cars in later season racing and he was able to take the lead on the first lap. A red flag on the 8th lap was necessary when Roger Otto and Ray Dropp tangled and it took the wrecker service to get them apart. Again on the 32nd lap, it was necessary to bring out the red flag when Paul Cameron, Round Lake, spun but couldn't get his car restarted.

Instead of staying in the car, Cameron got out of the car and stood on the track until the red flag was waved. On the restart he was lined up last and finished 11th after some hard charging. At the end, his car and that of John Olson, Round Lake collided and Cameron's car suffered front end damage when it hit the wall.

Tom Anderson, Lake Villa, ruined what had been a perfect record in setting fast time at Raceway Park for Champion Harris when he took those honors with a run at 12.89 seconds. Sullivan timed in at 12.89 and Harris was next at 12.97. The Trophy Dash and 2nd heat were won by Al Schill and he winds up the season with 30 overall wins. That's three more than Harris was able to manage in the season. Ray Dropp, Palatine, won the first ten lap heat over Roger Otto and Sullivan.

Finishing alongside of Sullivan was Harris who had run the outside in the final seven laps right with Sullivan but couldn't get the advantage to gain the front spot. Al Schill was third in a tight race with Anderson and then it was John Olson fifth. Others in their order were Roger Otto, Larry Leach, Ron Bergsma, Ray Dropp, Bill Klein, Cameron, Jim Cameron, and Jim Boehles. Boehles, Champion IRA Sportsman stock car driver for this season, was driving Al Schill's No. 1 modified and Schill is now competing in a new sister car.

The IRA modifieds will compete in open competition racing on Saturday night October 3, at the Golden Sands Speedway near Wisconsin Rapids. More than 60 cars are expected for National Super modified race.

Weather Cancels Races

Continuing rain and cold weather forced the cancellation of the Late Model and Hobby Stock Cur races again Sunday Sept. 13 at Waukegan Speedway, marking the third consecutive rainout this September.

Last Sunday's races were called around noon as heavy rains persisted. This Saturday's races came closer to being completed as the heavier rain waited until the cars were in the pits, but then Sunday's events were called early in the day.

Ironically the three consecutive rainouts equal the total for the past five years during September at the track. In fact the past three Septembers were completed without interference by weather.

Antioch Civic Club To Host Nimrods

Antioch's 885 Civic Club will host the 1970 crop of nimrods at the second running of their Hunter's Warm-Up Shoot on Sunday, September 27.

Some 700 shooters in 5-man squads took part in last year's shoot, cleaning up all the prizes in sight, and still looking for more, so plans are being made to accommodate close to 1000 participants.

Hopeful hunters will have an opportunity to sharpen up their shooting in preparation for the upcoming hunting season, and at the same time bring home eatable game, all cleaned and dressed, ready to pop into the cooker.

On the line will be rock cornish hens, JoPat beef patties, turkeys, ducks, and chickens, to be won by all classes of shooters.

Heading the list of "value shoots" is the 3 for \$1 Cornish Hen Shoot, in three events, which will enable good shooters, poor shooters, and lucky stiffs to win an equal share of the prizes.

In one event, the Hi-Lo-White Bird Shoot, the high scoring gun wins a hen; the lowest scoring shooter wins a hen, as does the lucky one who bags the white target.

Another event, the Two White Bird Shoot, enables two lucky gunners to win hens by breaking the white targets which are thrown at unknown times, while the high scoring sharp-shooter latches on to the third hen.

For the hot shots, the Winner-Take-All contest, as its name implies will give three hens to the high scoring gun.

Winners may claim JoPat beef patties instead of cornish hens if they prefer. Or they may shoot for beef patties instead of cornish hens.

Another event, the Turkey and a Chicken Shoot will net the high

prizes have been shot out, or darkness intervenes.

Proceeds from this event will be used by the 885 Club for their designated civic projects.

For more information please contact: William E. Brook, Chairman, Shoot Committee. Phones: 395-2700 or 395-1166, Antioch, Ill.

Swimmers Set Fine Record

Antioch's Swim Team, which is sponsored by the State Bank of Antioch, produced a very impressive season with a 5 wins, 3 losses record in dual meets.

This plus a third in the North Suburban Relays, 4th in the all-ways tough Lake Forest invitational Meet and a solid second in their own Antioch Invitational made a very good season. They finished the season off with a "Record Breaker" meet of their own, setting 35 new records!

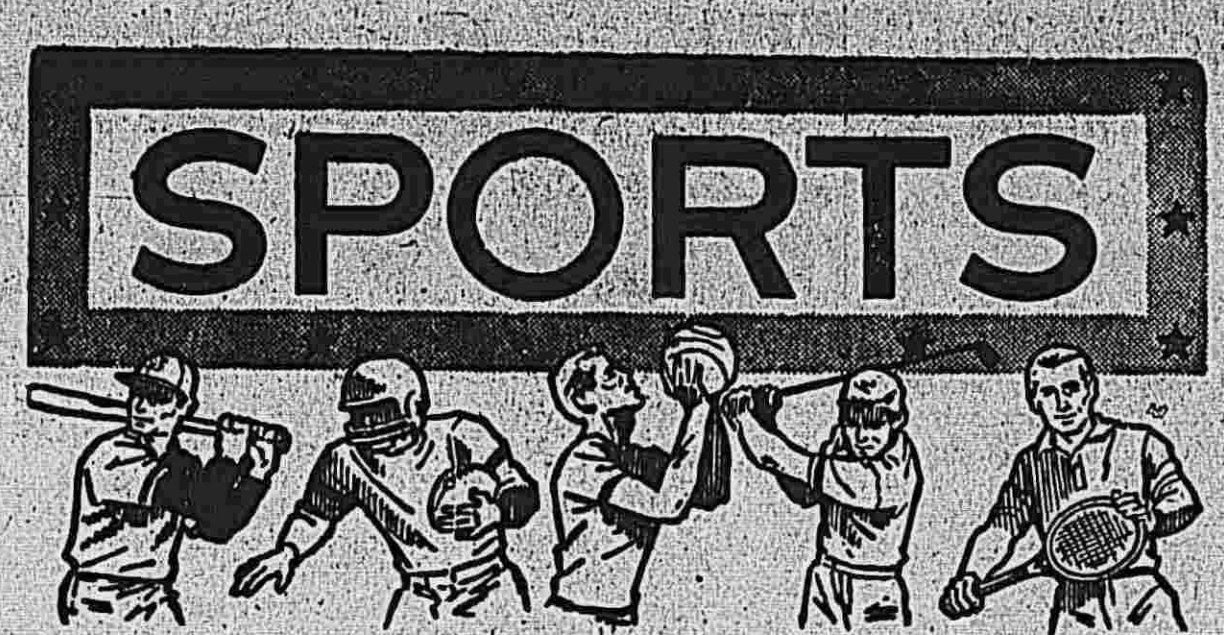

Nineteen swimmers earned "Swim and Stay Fit" Red Cross certificates for mileage done during the practices. Those completing the 10 mile certificates were Mike Muro, Bill Vorhies, Linda Lagerstrom, Sarah Hollenhorst, Sheryl Garrels, Bob Dodd, Jerry Schmidt, Dave Berry, Judy Berry, Jory Fields, and Jenny Schmidt completed their 20 mile certificate. Thirty mile certificates went to Carol Berry, Mariann Mutaw, Suzy Berry, Barb Dodd, Jeff Schmidt and Mike Edwards. Pat Muro and Ed Berry completed their 50 miles.

Much to everyone's surprise and delight Antioch's team numbered a solid 80 swimmers, ages 6 to 16! They were accepted in the North Suburban League, one of the best in this area, including Lake Forest, Tennaqua, Plum Grove (Palatine), Old Willow (Deerfield) and Brentwood (Waukegan).

Several people developed into fine divers, helping to win several meets. Some of those who showed great possibility were Terry Lear, Kathy Walpole, John Karacek, Mary St. Pierre and Suzy and Ed Berry. Many others were coming along and should be a big asset next year in this phase of competition.

Lots of fine cooperation from the swimmers, the parents, the State Bank of Antioch, and the Antioch Lions Club helped to make 1970 a fine season.

Saturday night, Sept. 26 is the final program scheduled for the 1970 season. These races will be highlighted by a 50 lap late model feature race. In the event of a rainout on that date, the races will be rescheduled on Sunday afternoon.

THURS., SEPT. 24, 1970

THE ANTIOCH NEWS-6

Rifles Swamp Hapless Sheboygan Club 48-6

For three quarters Saturday night, September 12, the Sheboygan Redwings played respectable football and could probably thank the weather for much of it. It rained throughout the game and it took the Lake County Rifles three quarters to untrack themselves in the mud. In the final stanza, however, Lake County unleashed a mighty passing attack that buried the Redwings and gave the Rifles a 48 to 6 victory and a 4th straight conference triumph. Fred Custardo completed 8 of 11 passes in the 4th quarter, for 110 yards and 3 touchdowns. A 15 yd. roughness penalty against the Rifles moved the ball back to their 36 yd. line, and after Jurewicz found 6 yds. to the Rifles 42, Fred Custardo again hit Gerri Sandburg with a long bomb, this time covering 58 yds. for the score. Lee Rice's PAT ran the score to 20 to 6.

The fireworks really began in the fourth quarter. Lake County recovered a Redwing fumble on their own 46 yd. line and moved into the end zone in 7 plays. Jurewicz found the last 8 yds. just :05 seconds gone in the final period, and after Rice's successful PAT, Lake County led, 27 to 6.

Then the floodgates opened. (No pun on the weather intended.) With Jurewicz hammering the line, (he had 134 yds. in 18 carries for the night), and Custardo passing, the Rifles scored again with 9:14 left in the game. Custardo hit John McGuire with a little 2 yd. TD pass and after Rice's fourth PAT, Lake County's lead mounted to 34 to 6.

Sheboygan came back to reach the Rifle 11 yd. line largely on a 28 yd. pass from Gary McCoy to Chuck Jordan and a roughing the passer penalty. The Redwings fumbled again, however, and Lake County began another march. Tight end John McGuire was all alone up the middle on a 31 yd. pass play and finally, Custardo hit split end Bill Potter in the end zone on a 26 yd. scoring aerial. This drive covered 87 yds. in 8 plays and after Rice's PAT, Lake County had a 41 to 6 advantage. Only 1:54 remained.

The Redwings battled Lake County on even terms throughout the second quarter and with time running out in the half, Mike Mc-

Don intercepted a Custardo pass and ran it back 14 yds. to the Rifle 41 yd. line. From there Sheboygan moved to paydirt in 7 plays with quarterback Bruce Grasamke crawling over from the 1 yd. line with just :25 seconds left in the first half. Chuck Morrissey's PAT attempt was blocked and the Redwings trailed by a respectable 13 to 6 margin.

The third quarter produced only one touchdown. Early in the period Walkefield's poor 7 yd. punt gave Lake County good field position. A 15 yd. roughness penalty against the Rifles moved the ball back to their 36 yd. line, and after Jurewicz found 6 yds. to the Rifles 42, Fred Custardo again hit Gerri Sandburg with a long bomb, this time covering 58 yds. for the score. Lee Rice's PAT ran the score to 20 to 6.

The Redwings fumbled again, however, and Lake County began another march. Tight end John McGuire was all alone up the middle on a 31 yd. pass play and finally, Custardo hit split end Bill Potter in the end zone on a 26 yd. scoring aerial. This drive covered 87 yds. in 8 plays and after Rice's PAT, Lake County had a 41 to 6 advantage. Only 1:54 remained.

On Saturday, Sept. 19, Racine was scheduled to play the Rifles at Carmel Stadium in Mundelein, in a league contest. In an exhibition game, Racine fell to the Rifles 12 to 10, and this match-up is always a barnburner.

The last Rifle score came after a pass interception by veteran Ed Sublett. He returned the ball 11 yds. to the Redwing 14 yd. line and from there Custardo passed to tight end John McGuire again for the score. Lee Rice's 6th straight extra point gave Lake County their final margin of 48 to 6. The Redwings had simply been outmanned. :54 seconds remained in the game and the only exciting thing left was Ron Jurewicz's 15 yd. dash around end on the final play of the game that brought his night's rushing total to 134 yards.

Fred Custardo completed 15 passes in 22 attempts for 279 yds. and 5 touchdowns. John McGuire caught 6 for 74 yards and Jurewicz caught 4 for 62 yds. Ron's catches gave him almost 200 yds. in total offense for the night. Glenn Johnson chipped in with 24 yds. in 4 carries late in the game, and three Rifle interceptions were shared by defensive backs Pat Owens, Ed Sublett, and LaVern Pottinger. Chuck Burgoon the Minnesota Vikings 3rd round pick last year made a successful debut in the Rifle defensive line and as usual, line-backer Don Rowden was all over the field.

For Sheboygan, their leading ball carrier was Dave Durrett who notched 40 yds. in 13 carries along with 3 pass receptions for another 48 yards. One of these pass receptions was good for 47 yds. in a futile 3rd quarter touchdown bid. This was a screen pass play and Durrett dashed down the sidelines to the Rifle 23 yd. line. Pat Owens' interception broke up this drive, however. Chuck Jordan caught 5 passes for 60 yds. and former North Dakota State ace Bruce Grasamke hit on 7 of 21 passes for 63 yds.

On Saturday, Sept. 19, Racine was scheduled to play the Rifles at Carmel Stadium in Mundelein, in a league contest. In an exhibition game, Racine fell to the Rifles 12 to 10, and this match-up is always a barnburner.

WANTED

More persons interested in defensive automobile driving to sign up for driving courses sponsored by Antioch AARP, No. 387.

Defensive driving classes will be held in the community room of the Antioch Savings and Loan Building as soon as thirty or more have signed up.

Cost of the entire courses is \$4.00. Special rates to AARP members. CALL: Antioch (312) 395-3012 or 395-0645

Schedules set for courses will be decided by the first group attending.

Emmons Wins It's Opener

The Emmons Grade School Football Team opened the season with a victory.

On Monday, Sept. 21, Emmons played Grass Lake Grade School on Grass Lake's football field. Emmons won the game by a score of 12-7.

The game began with the two teams exchanging touchdowns. During the first few plays of the game, Emmons ran the ball right down the field and Bob Dodd ran across the goal line for a touchdown. The extra point was missed. A few minutes later Chuck Smith of Grass Lake scored six points for his team and the extra point was made, making the score Grass Lake 7 and Emmons 6 in the beginning of the first half. That score remained at the end of the first half.

In the second half of the game, Bob Dodd of Emmons scored the final touchdown of the game, making the score 12-7 for the Emmons Raiders. The extra point was again stopped by Grass Lake.

John Kakacek is the coach of Emmons Grade School and he is assisted by Mike Mitchell.

DEATH NOTICES

EUGENE B. SARNOWSKI
Eugene B. Sarnowski, 72 years old of Center Lake Woods Subdivision near Camp Lake, Wis., passed away suddenly from a heart attack at 5:50 p.m. Sunday, Sept. 20 at his home. He was born June 9, 1898 in Warsaw, Poland and came to the United States in 1906 to reside in Chicago until moving to Camp Lake in 1949.

He was a member of Holy Name Church at Wilmet, Wis., and the Unity of Polish Bakery Workers in Chicago. He had owned and operated the Ideal Bakery in Center Lake Woods for the past 19 years.

He is survived by his wife,

Mary (nee Pactwa) Sarnowski, one son, Harold, of Kenosha, one daughter, Mrs. Annette Kadler, of Camp Lake, Wis., three nieces, Eugenia, Florence and Virginia, two nephews, Walter and Raymond. Six grandchildren also survive.

Funeral mass was held at 11 a.m. Wednesday at Holy Name Catholic Church in Wilmet. Interment was in Holy Name Cemetery.

RAY S. MILLER

Ray S. Miller, 73 years old of Paddock Lake, Wis., passed away suddenly, Thursday, Sept. 17. He was born Aug. 11, 1897 in Fairfax, Missouri and had lived in Chicago prior to moving to Paddock Lake in 1954.

He was a member of the Silver Lake American Legion Post No.

293. He was also a member of the Providence Masonic Lodge No. 711 A.F. & A.M. in Chicago. He had served in the U.S. Navy during World War I.

Mr. Miller was a retired Auto Repair and Body man, retiring in 1962.

Survivors are his wife, Margaret; one daughter, Mrs. Louis (Karen) Faber, of Trevor, Wis.; three sisters, Mrs. Charles (Alta) Schmitt, Tucson, Ariz.; Mrs. Ina Palmer, Lincoln, Neb.; Mrs. Marie Mackranga, Lincolnwood, Ill. One grandchild also survives.

Funeral services were held Monday, Sept. 21 in the Strang Funeral Home, Antioch. Interment was in Salem Mound Cemetery, near Silver Lake, Wis. The Rev. Ray Kotwicki of the Salem Methodist Church officiated. Masonic services were held in the funeral home at 8:00 p.m. Sunday.

VERNON D. RENTSCH

Vernon D. Rentsch, 16 years old of Wedgewood Subdivision near Antioch, passed away Saturday, Sept. 19, at the William Fox Children's Center in Dwight, Ill. He was born Oct. 22, 1953 in Chicago; then moved to Antioch in 1955; and has been at Dwight since 1967.

He is survived by his mother, Mrs. Lorraine Rentsch, Antioch, his father Milray Rentsch, of Chicago; two brothers, Russel, of Rockford, Ill., and his maternal grandmother, Mrs. Charlotte Rydin, Antioch.

Funeral services were held at 10 a.m. Monday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Ridgewood Cemetery at Des Plaines, Ill.

May Wins Feature

Waukegan, Sept. 19—Bob May finally won a feature race! It came Saturday night as May passed track champion Ray Young at the start of the 7th lap in the 30 lap event. He then had to withstand a determined challenge by Bob Anzinger and Tom Jones in the closing laps.

May started the evening off by blistering the track with a record: 14.19 lap. Young, of Dolton held the record previously with a 14.21 lap in July. May finished second to Young in the dash and was fourth in his heat race before winning the big one. The race required two restarts. The most serious came in the 5th lap when early leader Rich Davis of Waukegan apparently lost his steering and hit the pit wall at high speed. He was not injured although the car was nearly demolished. The race was also restarted in the 19th lap after Paul Craddock of Round Lake lost a rear wheel and rolled free on the track.

Young, who won the trophy dash, led from the 3rd until the 7th lap when May got by. Jones passed Young in the 12th for second, with Anzinger right behind him. Anzinger took second from Jones in the 17th lap. Young held on to finish 4th in front of Al Gutche of Bristol and Jim Cossman of Waukegan.

There was a lot of excitement in the second heat for late models as Roger Erickson of Waukegan spun in the 4th turn and was hit by six other cars. Scott Moore of Mundelein had his car severely damaged on both ends and wound up driving another car in the consolation race.

Other cars involved in the accident were Young, Vern Browne, of Waukegan, May, Jones and Anzinger. Jones also went to the pits but came back to win the third heat. Browne restarted and won the second heat.

Tom Reuss of Wildwood set a new one lap record in the hobby stock time trials but missed the feature after he and Jim Miller of Lake Bluff hit the concrete backstretch wall in their heat race. Reuss' time of 16.56 was .07 seconds better than Tom Oliver's old mark.

But Oliver turned out the big winner, taking the feature lead with just three laps remaining. Jim Dean of Waukegan finished second. It was an important win for Oliver as he and Reuss are locked in a battle for first in the hobby division point standings.

Next Saturday night will be the final night racing of the season with a 50 lap late model season championship event scheduled. In case of rain the races will be held next Sunday afternoon. These races will conclude the points in both the late model and the hobby stock divisions, although Sunday afternoon races may be run later.

It's easy to place a classified—Just dial 395-4111.

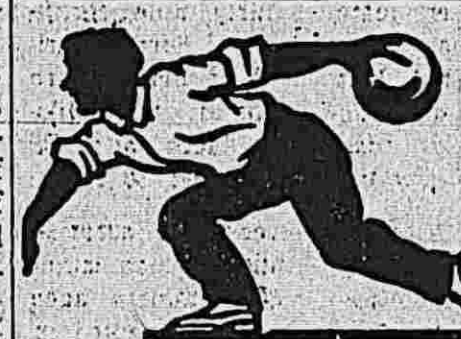

Ray Young Takes Late Model Feature

Waukegan, Sept. 20—Ray Young of Dolton took the 30 lap late model feature lead at the Waukegan Speedway in the 9th lap and then beat Lee Schuler of Lockport to the finish line by four car lengths.

The races were run Sunday afternoon, which was a first for the track since it was asphalted. The events included a demolition derby, and promoter Gordon Sill announced there will be more racing again next Sunday afternoon.

So many hobby stocks turned out Sunday that 6 events plus time trials were run for this slam-bang class. The feature race was won by Tom Oliver, with Tom Reuss of Wildwood second and Wes Eckert of Greenfield, Wis., a close third.

Bob May set fast time, just .09 seconds off the record he posted Saturday night at the track. He won the third heat and finished third in the feature, behind Schuler, in second place, with Ray Young winning the race.

Bowling

MONDAY NIGHT TAVERN

September 21
Maggie and Bob's, paced by Frank Heiselmann, 188-548, won a pair of games from Johnson's Petite Lake Resort. Glenn Fox 234-506 for Johnson's.

The league high bowler for the evening, Earl Hogan, 224-162-188—574 led Old Hickory Inn to three nice wins over Mr. Ed's Tavern. John Benes 192-540 on Mr. Ed's. Joe Elfinger showed the way, 245-561 on Helvetia Hotel team, helping them win three games from Dick Cerk, 173-498 and the Kempf's Resort five.

Shady Nook led by Paul Heath; 182-539 won a pair from Fiddler's Green. Keith Kube 209-518 for Fiddler's.

The Angels still trying to find good conditions, dropped two games to Pat's Lounge. Harry Smith 200-510 for Pat's. Bob Hughes found the alleys for his liking, 247-552, paced Red Arrow Tavern to a couple of wins over Open Door Tavern. Terry Dewar 179-479 for Open Door.

Still Time To Enter Contest

Registration for the area's tenth annual Punt, Pass and Kick competition for boys ages eight through 13 will remain open through the month of September.

Nationally more than 1,250,000 youngsters are expected to take part in the program which is co-sponsored by the National and American conferences of the National Football League and the Ford dealers of America. Registration blanks and local competition details are available at all participating Ford dealerships.

Punt, Pass and Kick has attracted more than 6,200,000 participants since its inception in 1961, in addition to the enthusiastic support of high school, college and professional football coaches across the country.

National Football League Commissioner Pete Rozelle describes Punt, Pass and Kick as the "finest youth athletic program" of its kind and notes that entrants compete only against boys their own age. Scoring is based on distance and accuracy in punting, passing and place kicking.

Competition begins at the local level on October 3 and subsequently moves to zone, district, area, divisional and national levels. No entrance fee or special equipment is required. There is no body contact and participation does not impair a youth's amateur standing.

Competition begins at the local level on October 3 and subsequently moves to zone, district, area, divisional and national levels. No entrance fee or special equipment is required. There is no body contact and participation does not impair a youth's amateur standing.
